ABOUT THE CONFERENCE

The National Afro-Vegan Conference Virtual Summit is an online event featuring guest speakers, plant-based chefs and medical professionals who promote plant-based eating and vegan living as a solution to many of the global challenges we currently face.

Each NAVCon panel discussion, presentation, interview and cooking demo is designed to provide participants with insight, inspiration and practical skills to begin transitioning to vegan living.

MORE THAN 7,000 PARTICIPATED IN THE 2020 NATIONAL AFRO-VEGAN CONFERENCE

THE NAVCON MODEL

SPEAKERS

Our speakers include physicians, thought leaders and experts on plant-based nutrition and sustainable living who share practical tools for transitioning to veganism.

PANELS

Our panels include medical professionals, activists, authors and influencers who share their expertise on the many benefits of plant-based eating and vegan living.

COOKING DEMOS

Our cooking demos are conducted by chefs, restaurateurs and caterers whose interactive cooking demos give participants a jumpstart on healthier eating.
